LingoPath WHERE THE ONLINE WORLD LEARNS ENGLISH

LingoPath is an education company that creates and delivers online English language training courses for students around the globe.

LingoPath has created a unique detect and correct teaching system that enables students and business professionals to have the advantage of learning, reading, and speaking English with confidence.

- 1 All our programs are value driven. They deliver outstanding benefits at an affordable cost.
- 2 LingoPath's course content is stimulating and enriching. LingoPath delivers positive results. Our student satisfaction rate is exceptionally high.
- 3 Our proven English as Second Language training programs combine online weekly lessons in Grammar, Vocabulary, Reading, and Listening with weekly English conversation classes.
- 4 LingoPath's live classes provide a fun and educational environment taught by a member of the LingoPath teaching staff.

YOUR ONLINE PATH TO ENGLISH SUCCESS

If your objective is to speak and understand English confidently, LingoPath courses are your pathway to success. You can access LingoPath teaching lessons via the internet using your computer wherever in the world you may be. A computer and internet access is all you need. No additional software purchase is required.

Enroll today. You too can learn to speak and understand English with confidence.

LingoPath's LEARNING PATHWAY...

As a LingoPath student, you'll participate in online English lessons on topics that will be interesting and relevant to you in four subject areas: **Grammar, Reading, Listening and Vocabulary.**

Our learning pathway also provides a weekly 50 minute conversational class with a small group of students directed by a member of the LingoPath teaching staff. That means you'll speak English with other students from around the world in a fun and educational environment. Or, participate in LingoPath's individual one to one conversation classes.

WHAT IS THE RIGHT LEARNING LEVEL FOR ME?

When you enroll in a LingoPath program you will complete a brief test to measure your English language proficiency and be assigned to a learning level based on your test results.

LingoPath has six learning levels of increasing challenge for students. LingoPath has the right learning level for you.

LingoTalk
